

# Seneca Lake Club

## July 2017

---

After many years of having to put off improvements, we are so excited to share with you all the recent improvements, upcoming projects, and family friendly events! As many of you have seen, we have new sand! The softness begs you to take off your shoes and run through it. The slide has been restored to it's 1973 glory and the large dead tree has been removed before it caused any damage. We previously did some clubhouse repairs and purchased a new Weber grill. What's even more exciting is what's coming next! In the next few weeks we will have a submersed air diffused aeration system installed. This will surround the docks and swimming area as well as inside the swimming area creating an air "curtain" that will prevent wind blown debris from collecting in the swimming area. In addition, it will deter fish and wildlife from the area as well. In addition we will extend the treated area of the lake for weeds to include the back corner. This will improve the overall health of the lake, in addition to the appearance. What a beautiful place to spend time with family and friends!

**Mark your calendars now!**

## **Are you getting emails?**

Please be sure to send us an email at [senecalakeclub@gmail.com](mailto:senecalakeclub@gmail.com) to be added to our contacts. Follow us on Facebook at Seneca Lake Club, Sparta NJ. We share a lot of information. You don't want to be left out!

## How to contact us...

The Seneca Lake Board of Officers and Trustees is made up of volunteers from the community. We work hard to bring you a financially responsible community that serves the recreational purposes of the lake. We can be reached by email at [senecalakeclub@gmail.com](mailto:senecalakeclub@gmail.com), through the website [www.senecalakeclub.org](http://www.senecalakeclub.org) or on Facebook.

## Geese

Please don't feed the wildlife, it's against the law! Geese create many harmful health problems. Please chase them off the beach property. We will aggressively pursue all state and federal guidelines for removing the geese from the lake. Lakefront homeowners are asked to chase the geese off their properties as well. Putting up netting along your waterfront will greatly help deter them from the property.

## Rules and Reminders

- Seneca Lake is a private lake reserved for the use of only the owners/renters in good standing and their guests. The garage and bathrooms are locked. Contact us if you do not have the code. Please lock up before leaving.
- The garage must be opened before participating in beach activities including, but not limited to, swimming and boating. State regulations require that there be access to an emergency phone and rescue materials.
- No one under the age of 16 is to use the beach without an adult. No one is to swim alone.
- All boats need to be registered with the beach club in order to be stored on-site. Contact us for a registration form. Please do not use other owner's boats. All boats are marked. Seneca Lake provides a canoe, row boat, and paddle boat for your enjoyment. Please be sure it is marked with SLC before using it. Boats must enter the water from the left of the dock. All boats must be returned to the rack and stored upside down to eliminate any safety hazards from standing water.
- Fishing is catch and release. Please do not fish inside swimming area. Please clean up any extra lines, hooks, or supplies. We don't want any accidents.
- Parking at the beach is limited to those using the beach and their guests. There is no overnight parking allowed.

**We are looking forward to a fun filled summer. See you at the beach!**
