

Daffodils sprouting, swans back and nesting, beach aeration system back on.

Spring has finally arrived!

This edition of the Seneca Lake newsletter is the first in some time and what we hope becomes a regular publication intended to share news and events related to your Seneca Lake community.

The Seneca Lake Board of Officers and Trustees is made up of volunteers from the community. We work hard to bring you a financially responsible community that serves the recreational purposes of the lake. We can be reached by email at senecalakeclub@gmail.com, through the website www.senecalakeclub.org or on Facebook.

We thank you and wish you a great Spring as we prepare for the summers activities and events

FACILITIES UPDATE

The safety and cleanliness of our lake and beach areas is one of our highest priority. Among the many things done in 2017 were installation of the aeration system in the swim area, increased weed harvesting, removal of trees, and bringing in beautiful new beach sand.

Planned for 2018 are repairs to the clubhouse, improved clubhouse lighting and the purchase of a new fire pit.

We are considering other modernization projects and will communicate more as we finalize plans

UPCOMING EVENTS

All supplies and safety vests provide. So, create a team, come alone, bring the family, or just come hang out and let's keep Seneca Lake beautiful!

WE WANT TO HEAR FROM YOU

We are always interested in hearing from the community members on ideas and suggestions on how to improve our facilities, increase use of those facilities, and events or activities that may be of interest to you. To that end, a survey will be sent to all active members in the coming days soliciting your feedback. Thanks in advance for taking a few minutes to complete it.

Are you getting emails/newsletters? Whether you are a home owner or a tenant we want you to know what's going on at Seneca Lake and when important notifications are sent, know you are getting them. Please send us an email at senecalakeclub@gmail.com so you can be added to our contacts and follow us on Facebook at Seneca Lake Club, Sparta NJ. We share a lot of information.

You don't want to be left out!
