SENECA LAKE BEACH PARTY RULES, APPLICATION AND Exit CHECKLIST

There is no charge for members to host parties at the beach. However, a refundable security deposit is required.

Parties may be requested and held by residents of the Seneca Lake reservations as per the following conditions (the conditions are subject to change without notice):

- Party requests may be made by residents that have their yearly fees paid to date. Reservation requests must be in writing before the requested date and the application must be filled out and returned with a \$150 security deposit (checks only please). Initial requests should be forwarded to Tammy Crimando at tammtlc@earthlink.net and include the following information:
 - Name, address, and telephone number of party host
 - Date requested for the party
 - Starting and ending times of the party
 - Number of people attending
 - Activities planned (swimming, volleyball, BBQ, etc.)
- A party request is not a guarantee that the party date/time will be available. All dates/times are assigned on a first come, first served basis. The sooner you book your party, the more likely the date you request will be available. Confirmed parties are posted on the calendar at senecalakeclub.org.
- Beach and/or pavilion are the usual sites for parties.
- The beach may not be reserved for money-making or fund-raising activities.
- If swimming is planned, please note that Seneca Lake Beach Club does not employ lifeguards. All swimming is AT YOUR OWN RISK.
- All parties are limited to 50 people.
- There is no charge for members to utilize the beach area for a party. However, a refundable security deposit of \$150 in the form of checks made payable to Seneca Lake Beach Club is required for all parties. Please send checks to: Seneca Lake Beach Club, C/O Tammy Crimando, 107 Seneca Lake Road, Sparta, NJ 07871. The \$150 security deposit will be refunded after a Trustee verifies that the party site has been left clean and in satisfactory condition. Host will forfeit the security fee if the beach area (including pavilion and parking areas) is not in clean and satisfactory condition, with all trash, recyclable material, decorations, etc. properly disposed of.:
- All Trash and Recycling must be disposed of properly. Garbage (Black bags) and Recycling (Clear bags) that fit in the garbage pails are provided (In the labeled plastic cabinet in the garage)
- Once party has concluded - Recycling can be removed from Blue Garbage pail and put curbside (Replace with clear bag provided in garage)
- **All garbage MUST BE TAKEN HOME and not left on club property. Failure to remove and take home any garbage will result in forfeiture of deposit.**
- Please notify Seneca Lake Club (Tammy) and let her know if the gas for grill was replaced (spare tank in garage)
- As noted above, all trash and recycling must be disposed of properly. Containers for both are provided. The garbage and recycling bags that fit the cans are provided for party hosts and can be found in the plastic set of drawers immediately inside the garage on the right. Please use those bags for all trash and recycling accumulated at the pavilion and around the beach/grass areas and be sure to tie with a secure knot prior to leaving the filled bags in the garage cans.
- Please put a new bag(s) from the cabinet into the empty can(s) outside of pavilion so they are ready for the next member's use.
- All parties are approved in writing by the Seneca Lake Board of Trustees.
